AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently amended) A topical cosmetic composition for providing noticeably healthy looking human skin comprising a topical cosmetic carrier vehicle including vitamin A, vitamin E, aloe, and at least one member selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C, wherein said vitamin A, said vitamin E, said aloe, and said at least one member are each independently included in an amount of about 0.001% to about 5% by weight of the composition,

wherein the topical cosmetic composition is in the form of a shaving gel and further comprises a lathering agent, a foaming agent, and/or a self-foaming agent.

2. (Original) The composition of claim 1 comprising at least two members selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C.

3. (Original) The composition of claim 1 comprising vitamin B₃.

4. (Original) The composition of claim 1 or 3 comprising vitamin C.

5. (Original) The composition of claim 2 comprising bisabolol and vitamin B₃.

6. (Original) The composition of claim 5 comprising vitamin C.

7. (Canceled)

8. (Canceled)

9. (Canceled)

10. (Canceled)

11. (Currently withdrawn) A method of providing noticeably healthy looking human skin which comprises applying to human skin at least once a day over at least seven days a topical cosmetic composition comprising a topical cosmetic carrier vehicle including

vitamin A, vitamin E, aloe, and at least one member selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C, wherein said vitamin A, said vitamin E, said aloe, and said at least one member are each independently included in an amount of about 0.001% to about 5% by weight of the composition.

12. (Currently withdrawn) The method of claim 11 wherein the topical cosmetic composition comprises at least two members selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C.

13. (Currently withdrawn) The method of claim 11 wherein the topical cosmetic composition comprises vitamin B₃.

14. (Currently withdrawn) The method of claim 11 or 13 wherein the topical cosmetic composition comprises vitamin C.

15. (Currently withdrawn) The method of claim 12 wherein the topical cosmetic composition comprises bisabolol and vitamin B₃.

16. (Currently withdrawn) The method of claim 15 wherein the topical cosmetic composition comprises vitamin C.

17. (Currently withdrawn) The method of claim 12 or 16 wherein the topical cosmetic composition is in the form of a liquid, lotion, cream, gel, foam, mousse, spray, paste or solid.

18. (Currently withdrawn) The method of claim 12 wherein the topical cosmetic composition is in the form of shaving gel.

19. (Currently withdrawn) The method of claim 12 wherein the topical cosmetic composition is in the form of an aftershave gel or lotion.

20. (Currently withdrawn) The method of claim 12 wherein the topical cosmetic composition is in the form of a cleansing wash, a cleansing bar or a moisturizing lotion.

21. (Currently withdrawn) The method of claim 11 or 12 which comprises applying the topical cosmetic composition to human skin at least twice a day over at least fourteen days.

Appl. No. 10/719,224
Docket No. T-733 (Z-03480)

22. (New) The composition of claim 1 wherein the topical cosmetic composition comprises a foaming agent or a self-foaming agent.
23. (New) The composition of claim 1 further comprising a propellant.
24. (New) An array of topical cosmetic compositions for combined application to human skin, the array comprising:
- a) a first topical cosmetic composition in accordance with claim 1; and
 - b) a second topical cosmetic composition selected from the group consisting of an aftershave gel, a moisturizing lotion, a cleansing wash, and a cleansing bar, wherein the second topical cosmetic composition comprises vitamin A, vitamin E, aloe, bisabolol, panthenol, vitamin B₃ and/or vitamin C.
25. (New) The array of claim 24 wherein the first topical cosmetic composition further comprises a propellant.
26. (New) The array of claim 24 wherein the second topical cosmetic composition comprises vitamin A and vitamin E.
27. (New) The array of claim 24 wherein the second topical cosmetic composition comprises vitamin A, vitamin E, aloe, and at least one member selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C.
28. (New) The array of claim 24 wherein the second topical cosmetic composition comprises at least two members selected from the group consisting of bisabolol, panthenol, vitamin B₃ and vitamin C.
29. (New) The array of claim 24 wherein the second topical cosmetic composition comprises vitamin B₃.
